Aro Tūranga | Position Description

Te Kaupeka Pūhanga | Faculty of Engineering

Pūkenga | Lecturer

Te Tūranga | The Role

A Lecturer has expertise in a specific discipline-related area, is proficient in teaching and is developing their pedagogical practice. They are active in research/scholarship/creative work and building their research portfolio.

A Lecturer is involved in the broader work of the Department/School, including taking on administrative roles that support the achievement of strategic and operational objectives.

Ngā Uara | Our Values

We value manaakitanga, whanaungatanga and tiakitanga at Te Whare Wānanga o Waitaha and these uara (values) guide our decisions and behaviour. Our values provide a roadmap for how we do things, affirming our commitment to the oranga (health, safety and wellbeing) of our students through mana-enhancing pastoral care and support. Ngā Uara challenge and inspire us to be the best we can be. They make UC a great place to work and study.

WHANAUNGATANGA
He mana tō te tangata
We value people and their differences

TIAKITANGA
He kaitiaki tātou katoa
We will enhance and nurture our resources

MANAAKITANGA
Kia aroha ki te tangata
We extend care and empower others

Kawenga Takohanga | Key Accountabilities

These Key Accountabilities provide a representative summary of the major responsibilities for this position. They are not minimum standards and some may be aspirational, for example when new to the role. The Key Accountabilities should inform Professional Development objectives and individual goals as discussed in the University's Professional Development and Review process.

Teaching

Outcome: A stimulating, research-led and supportive learning environment is created in which students have the opportunity to maximise their academic potential with the aim of developing intellectual independence.

Key responsibilities include:

- Design and deliver high quality teaching and support by utilising innovative, inspirational and proven pedagogical practices that stimulate learning.
- Ensure programmes of study are up to date and leading-edge, reflecting a depth and breadth of discipline expertise and are appropriately assessed through evidence-based quality assurance. This is informed by collaboration across programmes of study.
- Design and deliver appropriate student assessments and provide effective and timely feedback.
- Course and teaching evaluation and feedback opportunities are identified and regularly undertaken. Feedback and critical self-reflection is proactively used for ongoing development.
- Embed the Graduate Profile through your teaching, programmes and services.

- Encourage students to think critically and analytically and provide them with the skills to research and communicate outcomes effectively.
- Engage in Professional Development activities and research to continuously develop and inform your teaching practice and utilisation of innovative technologies.

Research/Scholarship/Creative Work

Outcome: High quality, innovative and valued research is designed, conducted, disseminated and utilised.

Key responsibilities include:

- Establish a research agenda and identify and seek external support and funding.
- Contribute to research environments within and beyond your immediate research group.
- Develop a research portfolio that enriches undergraduate and postgraduate programmes of study.
- Develop and sustain constructive relationships that support research effectiveness, opportunities and discipline reputation.
- Deliver original research outputs through scholarship utilising appropriate media including publications and/or creative works.
- Attract, support and guide postgraduate students with research development and to research degree completion.
- Explore and develop ways to ensure that your research contributes to positive social, cultural, economic, technological and/or legal change.
- Contribute to initiatives on research policy, reviews and funding bodies, and professional discipline societies.

Service

Outcome: UC's strategic objectives, day-to-day activities and reputation is enhanced and well supported by our academic community.

Key responsibilities include:

- Be accessible to students to provide timely advice that reflects diverse needs.
- Take opportunities to be involved in the wide range of activities available to promote collegiality, citizenship and UC reputation. For example: participation and engagement in Student Orientation; staff recruitment activities; Department/School/Faculty/UC Committees; student-led activities.
- Advance UC's reach and reputation by creating and undertaking opportunities to serve at national levels. For example: Outreach and student recruitment activities; Alumni events; conferences; advisory boards; media interviews, expert opinions and advice.
- Undertake academic review opportunities to support course and year-level reviews and reforms by engaging in quality assurance mechanisms and external moderation as required.
- Support the University to meet its obligations under the Education Act 1989 - to advance learning and knowledge, ensure research and teaching are closely interdependent, meet international standards of research and teaching, be a repository of knowledge and expertise, and undertake the role of critic and conscience of society.

Tangata Tū, Tangata Ora | Engaged, Empowered, Making a Difference

Outcome: Te Whare Wānanga o Waitaha achieves its objective through a constructive, supportive, and collaborative culture that includes and empowers all members of the UC whānau.

Key responsibilities include:

- Actively demonstrate, exemplify, and live Ngā Uara | the university values, embedding and promoting these in interactions with colleagues, students, and stakeholders.
- Respect and enact the Office of Treaty Partnership Triennial Plan and Te Tiriti o Waitangi.
- Embody UC's commitment to inclusiveness, participation, recognition, support, and sense of connection and belonging for all students and faculty.
- Positively contribute to and reinforce UC's commitment to Health, Safety and Wellbeing by reinforcing an environment that is safe and supportive for you, colleagues, students, contractors, and visitors; engage with and follow the University's documentation, in addition to Health and Safety legislation; and taking care, responsibility, and prompt action at all times.
- Contribute to the sustainability efforts of UC through the responsible use of resources and equipment.
- Maintain knowledge of UC's Risk Management Framework, including identifying critical issues and risks and ensuring that these are constructively raised and addressed.
- Participate in projects and other duties as requested to support UC's success.

Māngai Whakahaere | Reporting/Authority

Reporting Relationships

- Responsible to: Executive Dean
- Reports to: Head of Department/School
